

Internship Offer Letter

Dear Akshay,

22 May 2024

Uniin Group is pleased to offer you the position of Full Stack Developer Intern. You will have the opportunity to work closely with our app development and business development teams and contribute to various projects and initiatives.

This internship is located in Palwal and requires a work-from-home mode of work. This letter certifies that your position is held for 2 months starting 22nd May 2024.

Duties:

- You will conduct user research for our mobile application and develop information architecture.
- You will assist in developing low and high fidelity prototypes.
- Developing wireframes and designing visuals.
- Working on inclusivity and user advocacy.
- Being closely involved in developing the base code of the prototype.

Prem Narayan
Founder & CEO
Uniin Group
